Projects for 2024

Mayor Wilch would like to get some lighting at the cemetery. He checked with Ameren and it would be around \$7000 just from Ameren and could possibly be more due to having to hire an electrician. He found some solar lights that would light up some areas in the cemetery. He would like to get at least two of them.

Alderman Harper made a motion to recommend purchasing the solar lights for the cemetery to the full board.

Alderman Davis seconded the motion.
